

# futurenavigator

Creating value through future based ideas development

## Liselotte Lyngsø, Managing partner, Futurist

*Liselotte Lyngsø is Managing Partner of the innovation and futurist company Future Navigator. She is probably one of the most inspirational and enthusiastic persons you will ever meet. Her ability to paint mental pictures and inspire people to align towards shared goals is out of this world. She will spin your head around and show you possibilities that you never dreamed existed. And she will never leave you in the unknown – if you are honest about building a better tomorrow.*

*Liselotte is in great demand as a keynote speaker all over Europe and the US. She is a valued consultant for several global organizations.*

*She is a Member of the Foresight editorial board, VL20, Albright Gruppen, Women on Board, and is Founding Member of the Global Future Forum. She is a Board Member of: Bolius A/S and Brandhouse A/S.*

*Liselotte was born in Denmark in 1970. She has an M.Phil. in Economics and Politics from St. Anthony's College, Oxford University, UK.*

## Liselotte specializes in:

- Courses in future studies and scenario building
- Getting from ideas to success – concept development applying future trends, best practices and taboos as an engine for concept development
- The future of knowledge sharing and co-creation
- Getting the best NOT the most out of people
- Scenarios and dilemmas for the future co-worker - the hunt for meaning and good energy
- Building a sustainable society through innovative partnerships and technologies
- The future of the f@mily
